

Middle School Tips for Parents on Google Classroom and Rediker

1. All assignments are posted in Google Classroom. Teachers are not posting assignments in Rediker.
2. All grades are posted in Rediker.
3. Parents can find missing work in Google Classroom in the box entitled UPCOMING (on the left-hand side of the screen in *each class*) --> VIEW ALL --> (filter) MISSING ASSIGNMENTS
4. Missing work will also be indicated in the grade book in Rediker by following these steps. Click on the MORE box (next to your child's photo) -->CLASSROOM Tab (select class) --> Click PERFORMANCE -->Scroll to the section entitled NO SCORES POSTED --> Missing Work will be posted here when a teacher enters grades for each assignment.
