

IMMACULATE CONCEPTION CATHOLIC REGIONAL SCHOOL

# SUMMER E.X.P.L.O.R.E.

Exciting Programs, Learning Opportunities, and Rewarding Experiences

**June 24 - August 2, 2024**

Students and their friends from area schools are once again invited to "E.X.P.L.O.R.E." (Exciting Programs, Learning Opportunities, and Rewarding Experiences) at Immaculate Conception Catholic Regional School. For five consecutive weeks, students in three educational learning communities (Primary, Junior, and the Middle School) will experience the freedom to discover and undertake one-of-a-kind programs focused on enhancing confidence, building leadership skills, inspiring creativity, or serving the greater community - just to name a few. Field trips, hands-on workshops, and awesome surprises fill every week and almost every program! This will be our 12th year of summer camp and we couldn't be more excited!

## From the Director

Welcome back to our 12th summer at Immaculate Conception Catholic Regional School! We are very proud to continue to offer a series of programs which engage children in challenging and exciting educational opportunities beyond the academic year. Each year we try to make our camp the best it can be with new camps and activities.

Since its inception in 2012, Summer E.X.P.L.O.R.E. has welcomed over 2,100 registrations for 70 dynamic programs including, but not limited to, the performing arts, visual arts, technology, science, athletics, and Christian community service. In addition, the series has featured 110 field trip experiences, 24 musical stage performances, 50 professional staff members, 30 volunteers, numerous guests, many special surprises - and countless memories!

The main reason our program has been successful is because of our amazing staff. We have had a strong core over the years and now students who came through the program are able to be back in new roles. More than half of our staff are alumni from ICCR school and Summer E.X.P.L.O.R.E. program! We have continued to create a fun and safe environment for students of all ages.

I invite you to learn more about the E.X.P.L.O.R.E. program in the pages that follow and discover for yourself why so many families celebrate summer with us year after year!

Sincerely,  
Mr. Mark McPhillips  
Director

## PRIMARY SUMMER PROGRAM

Open to students entering grade K, 1, and 2 in the Fall of 2024

Our primary-level programs specialize in theme-based activities with a particular focus on providing educational opportunities for the children to enjoy new activities and experience age-appropriate independence. Campers will participate in specialized arts and crafts projects, games, stories, drama, play, outdoor water play, sports, weekly field trips, special events, surprises, and so much more! Each weekly session is carefully coordinated under new fun and exciting themes for 2024! The theme will go along with decorations and a few arts and crafts. So, whether children are coming to us for one week or multiple weeks - each day and every week is sure to be different and enjoyable! The camp will run daily from 9am-3pm.
