

IMMACULATE CONCEPTION CATHOLIC REGIONAL SCHOOL

# SUMMER E.X.P.L.O.R.E.

Exciting Programs, Learning Opportunities, and Rewarding Experiences

**June 22 - July 31, 2026**

Students and their friends from area schools are once again invited to "E.X.P.L.O.R.E." (Exciting Programs, Learning Opportunities, and Rewarding Experiences) at Immaculate Conception Catholic Regional School. For six consecutive weeks, students in three educational learning communities (Primary, Junior, and the Middle School) will experience the freedom to discover and undertake one-of-a-kind programs focused on enhancing confidence, building leadership skills, inspiring creativity, or serving the greater community - just to name a few. Field trips, hands-on workshops, and awesome surprises fill every week and almost every program! This will be our 14th year of summer camp and we couldn't be more excited!

## From the Director

Welcome back to our 14th summer at Immaculate Conception Catholic Regional School! We are proud to continue offering a series of programs that engage children in challenging, creative, and exciting educational opportunities beyond the academic year. Each summer, we strive to make our program even better by introducing new camps and activities that inspire learning and fun.

This year, we are thrilled to offer six weeks of fun-filled experiences. Our dedicated staff is already hard at work planning dynamic camps and activities that promise to be both enriching and memorable for our students.

Since its inception in 2012, Summer E.X.P.L.O.R.E. has welcomed over 2,800 registrations, offering dynamic programs in the performing arts, visual arts, technology, science, athletics, and Christian community service.

The heart of our program's success is our amazing staff. We are grateful to have a strong core of returning educators, along with former students who have come full circle—now serving in new leadership roles. More than half of our staff are proud alumni of ICCR School and the Summer E.X.P.L.O.R.E. program. Together, they help create a fun, welcoming, and safe environment for students of all ages.

I invite you to learn more about the E.X.P.L.O.R.E. program in the pages that follow and discover why so many families choose to celebrate summer with us year after year.

Sincerely,  
Mr. Mark McPhillips  
Director

## PRIMARY SUMMER PROGRAM

Open to students entering grades 1 and 2 in the Fall of 2026

Our primary-level programs specialize in theme-based activities with a particular focus on providing educational opportunities for the children to enjoy new activities and experience age-appropriate independence. Campers will participate in specialized arts and crafts projects, games, stories, drama, play, outdoor water play, sports, weekly field trips, special events, surprises, and so much more! Each weekly session is carefully coordinated under new fun and exciting themes for 2026! The theme will go along with decorations and a few arts and crafts. So, whether children are coming to us for one week or multiple weeks - each day and every week is sure to be different and enjoyable! The camp will run daily from 9am-3pm.
