The Lemonade War

By: Jacqueline Davies

Please answer the following questions as you read *The Lemonade War* by Jacqueline Davies. You may hand write your answers neatly on loose-leaf paper, or type them on a computer. You are welcome to keep the vocabulary listed on one separate piece of paper if you would like or keep it in the order you see it below. The questions do not have to be written. However, make sure chapter numbers are written, your answers are numbered, and they are answered in echoed complete sentences. Many questions ask your opinion (no wrong answers!). Please express your ideas clearly and completely. I suggest keeping your loose-leaf papers in a folder so the papers can be handed in neatly.
