

IMMACULATE CONCEPTION CATHOLIC REGIONAL SCHOOL

SUMMER E.X.P.L.O.R.E.

Exciting Programs, Learning Opportunities, and Rewarding Experiences

July 11 - August 5, 2022

Students and their friends from area schools are once again invited to "E.X.P.L.O.R.E." (Exciting Programs, Learning Opportunities, and Rewarding Experiences) at Immaculate Conception Catholic Regional School. For five consecutive weeks, students in three educational learning communities (Primary, Junior, and the Middle School) will experience the freedom to discover and undertake one-of-a-kind programs focused on enhancing confidence, building leadership skills, inspiring creativity, or serving the greater community - *just to name a few*. Field trips, hands-on workshops, and awesome surprises fill every week and almost every program! This will be our 10th year of summer camp and we couldn't be more excited!

From the Director 10 years of memories!

Welcome back to our 10th summer at Immaculate Conception Catholic Regional School! We are very proud to be in our 10th year and to continue to offer a series of programs which engage children in challenging and exciting educational opportunities beyond the academic year. I have been a part of all 10 years along with Mrs. McPhillips and there have been a lot of great memories. We had a great summer last year and I am looking forward to seeing those smiles!

Since its inception in 2012, Summer E.X.P.L.O.R.E. has welcomed over 1,500 registrations for 65 dynamic programs including, but not limited to, the performing arts, visual arts, technology, science, athletics, and Christian community service. In addition, the series has featured 90 field trip experiences, 20 musical stage performances, 50 professional staff members, 30 volunteers, numerous guests, many special surprises - *and countless memories!*

This will be our 10th summer implementing the E.X.P.L.O.R.E program at Immaculate Conception Catholic Regional School. 10 years of amazing camps and memories have brought so many campers through our program. Our camp founder, Frank Galligan, had a vision of making an incredible experience for students of all ages. We continue to instill this vision even 10 years later. This camp would not be possible without Mr. Galligan and the amazing camp staff we have had throughout the years.

I invite you to learn more about the E.X.P.L.O.R.E. program in the pages that follow and discover for yourself why so many families celebrate summer with us year after year!

Sincerely,
Mr. Mark McPhillips
Director

Program Offerings
